

APPEAL FORM

Erasmus Mundus Joint Master
Multiphase systems for Sustainable Engineering

If you have grounds to believe that your application file, although complete and effectively submitted, was not processed through the selection procedure or that you have been discriminated against unlawfully, you may engage an appeal procedure.

This form should be filled in with Adobe Acrobat Reader, saved and sent to the Consortium Coordinator (bonnefoy@emse.fr) with an email subject including "MULTIPHASE" and "Appeal" no later than one week after the decision notification. If the appeal is regarding the Coordinator, the written appeal should be directed to the Steering Board. Any appeal will be accorded thorough consideration and will normally be addressed within 28 calendar days of receipt.

Given name Family name Email address

Address City Application number

State the decision you appeal against (*max. 200 characters*)

State the reason why you believe that the selection decision was to your disadvantage. Please refer to the selection criteria and point out which of the criteria or which of your documents that could have been subject to misinterpretation. Please attach the supporting documents to your appeal. Please note that the appeal cannot concern the decision of admission/rejection itself, but only an alleged error made in the process that has resulted in the contested decision.
